

REMARKS/ARGUMENTS

Entry of the above-amendment is respectfully requested prior to examination of the application. The above application corresponds to an application originally written in Japanese. The above preliminary amendment revises the application as translated into English to be in a format more closely corresponding to that customarily employed in US patent practice, to eliminate multiple-dependent claims, and add new claims.

If there are any questions, please contact the undersigned attorney for applicant.

Respectfully submitted,

R. BURNS ISRAELSEN  
Attorney for Applicant
